Today's processional Gospel looks at the first day of Holy Week, and the Passion carries us on to Jesus' tomb. Throughout the entire week, and since His transfiguration, our Lord has moved toward the cross step by step. Despite opposition from crowds and His circle of friends, He has been determined to love us to death so that He might open heaven to us by the grace of God. Zechariah had written about the procession centuries earlier, and Paul proclaims that God the Father has exalted Jesus for His steadfast commitment to our salvation. But this is no mere history! We also are called to follow, to live through each day, step by step, faithful under various circumstances yet confident of mercy, grace, and forgiveness.
